

Camden Home Improvements Service

Do you need to make minor or major adaptations to your home?

Grab rails, wider basins, higher toilets, easy-access showers, kitchens or any other household feature can be installed to make your life easier.

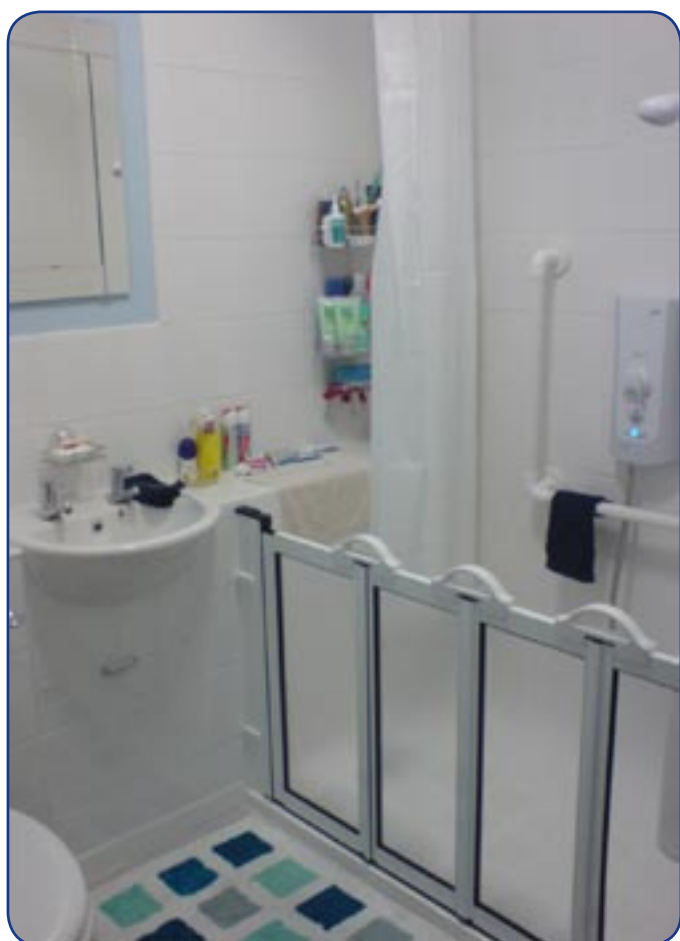

Great homes
positive people
strong communities

origin HOUSING

Use Origin Housing's well-proven, reasonably-priced local service. It's approved by Camden council.

The options

You will qualify for this Camden council-funded service if you are elderly, any age with a disability, or responsible for a child with a disability. You have two options:

1. pay for the work privately, or
2. be referred to an **occupational therapist** (OT), and be assessed to see if you qualify for a grant through Camden council.

The price and service

Origin gets the best price from a number of approved contractors. We manage the work to give you peace-of-mind, using a team of surveyors, advisors and technicians, who have gained 100% customer satisfaction over the last two and half years.

Origin's work

This service and our handyman service are approved and funded by Camden council. Our Home Improvements Service has 20 years experience, but Origin has spent over 80 years building and managing homes in Camden.

There are plenty of adaptations that can be made to make your life easier. For example:

Minor adaptations: grab rails, ramps for wheelchairs, over-bath showers, lever taps, door entry security systems.

Major adaptations: walk-in showers, ground floor extensions, making kitchens more accessible.

What to do next

1. Pay for the work privately

Origin can assess your needs, provide you with a detailed specification and arrange for the adaptation to be done with one of our approved contractors. This ensures you get a very competitive price. Call the Origin Home Improvements Service on 020 7284 5450.

2. Refer to an OT

Origin can help you contact an OT at Camden and may be able to process your application quicker than doing it yourself. If the OT approves your application and you are a home owner, private tenant or housing association tenant, Origin can arrange for the adaptations to be done to our usual high standards.

What customers say about Origin's service

"I am pleased with everything."

"I was dreading the mess and upheaval, but I was very surprised at how easy and clean the whole procedure was, well done and many thanks to all those involved."

"The support we received from our surveyor was exceptional."

"I was happy with the service and help. I was so pleased with all of them. I hope they will be there for me in the future."

"I do not think any suggestions from me would make any difference to your service, you have such excellent staff already."
