

# Camden Home Improvements Service

## We make minor and major adaptations to make your life easier

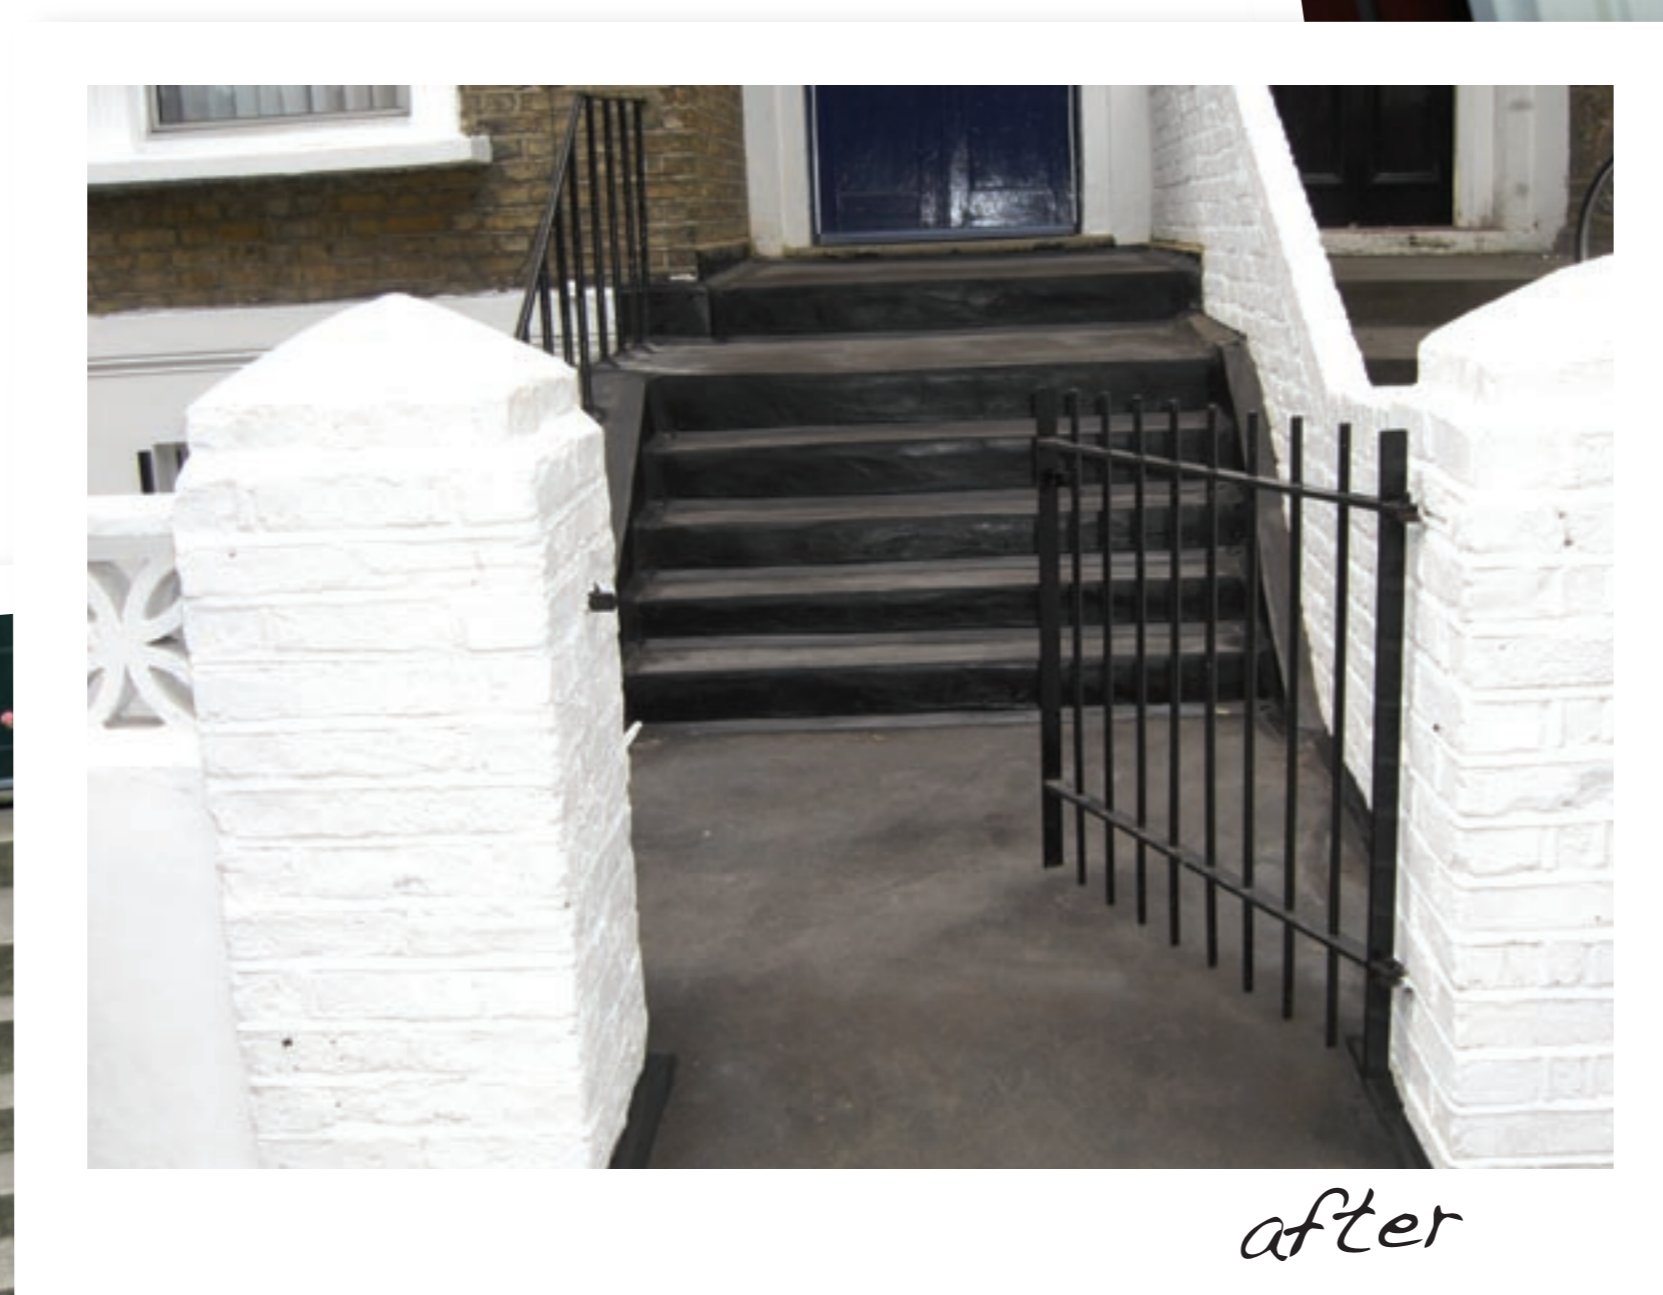

Grab rails, walk-in showers, raised toilets, wider basins, accessible kitchens and any other domestic feature can be fitted by us if you are elderly, or any age with a disability.

### We:

- are approved by Camden council;
- have 20 years experience;
- will get competitive prices from approved contractors;
- have 100% customer satisfaction over 2+ years;
- will be able to help with applications that need approval by an occupational therapist.
