We want your feedback

To help ensure that we provide the best possible service and continually improve what we do, we'd like to hear your views and ideas. Please get in touch if you have a:

Complaint – if you are unhappy with us, we want to make things better as quickly as possible and learn from your feedback so that things don't go wrong again;

Compliment – we'd like to hear about when we have done something really well;

Comment or suggestion – if you have an idea about how we can do things better, we'd love to hear it.

Getting in touch

You can contact any staff member or contractor to give your feedback and get in touch with us in any way you like. If you would like to contact our Customer Services team directly, please use one of the following ways:

Email: enquiries@originhousing.org.uk

Phone: 0800 040 7989

Letter: Complaints, Origin Housing, Freepost NW3744, London NW1 2YQ

Fax: 020 7209 9233

Text: 0207 209 9223

You can also call our 24 hour voicemail service to leave your feedback on 0207 209 933

What you can expect if you make a complaint

- An acknowledgement, with an outline of our Complaint Policy and Procedure, to be provided within three working days.
- A full response to be provided within ten working days (or a holding response if more time and information is needed).
- Our dedicated Customer Services Officer (CSO) to oversee your complaint case. You can get in touch with the CSO using the contact details above.
- That our staff will assist you when making a complaint if you want us to e.g. with form filling, arranging the use of an interpreter or translator, or providing information in other formats.
- That we will treat your complaint confidentially and it will not affect how we treat you in the future.
- All communication to be tailored to your needs and preferences wherever possible.
- That we will signpost you elsewhere if it is more appropriate for another organisation to assist you.

We have a three stage complaints procedure which we will guide you through if you are not happy with the first response that we provide.

Any person or group that receives a service from Origin Housing can make a complaint. We also accept complaints from any third party e.g. a friend or family member or an MP or advocate.

We understand that not all of our customers will wish to use our three stage complaint procedure when they are dissatisfied with us. If you are unhappy, but do not wish to log a “formal” complaint, we still want to hear from you so please do get in touch. You can contact us anonymously or ask that your complaint or comment is addressed in a less formal way.

Compensation

In some cases compensation will be paid to customers in order to redress costs incurred, disruption, distress and inconvenience caused or if we have taken a long time to resolve the issue of complaint. We also have a Compensation Policy that customers can refer to.
