Got an eye for a photo?

Origin Housing in association with the John Toomey Heritage Fund are launching a competition to find the best photographers in the areas which we work. The competition is open to all customers of Origin Housing as well as their family and friends who live in the local area.

What are we looking for?

Originality, spark and flair. We want you to look at your local area from a different angle and capture what you see in a photograph. You don't have to be an experienced photographer to enter. Even if you've never used a camera before why not grab one and give it a try.

What do I need to do?

Get snapping! We will accept photos in any format. From camera phone to high res images. You can email your photos or post us prints or memory sticks. All work submitted will be exhibited at a local gallery. There are great prizes too: **Vouchers** to spend on equipment & **professional training** with a top industry professional.
