#### Interviewer Script

Good {timeofday} I'm calling to speak to {fullname} or perhaps you could help me

My name is {interviewer}.

I'm calling on behalf of Origin Housing.

I'm just calling to get your feedback on what it's like to live in your home and neighbourhood, if that's OK? It should only take a few minutes.

*Once you have agreement to interview say  
**"Just to let you know that this call will be recorded for monitoring and training purposes. Your answers will also be linked to your personal data and used to improve services, however, none of the questions are compulsory and you can end the call at any point. The feedback we collect will be used to calculate annual Tenant Satisfaction Measures to be published by Origin Housing. Is that okay?"***

*The Tenant Satisfaction Measures (TSMs) have been brought in by the Regulator of Social Housing and are designed to monitor the performance of councils and housing associations. Data is being collected each financial year, starting from April 2023, and will be published at the end of that year.*
